Dear Thomas and Nancy Smolen,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. Your email will become a part of ND-2015-20-E - Duke Energy Carolinas: Foothills Transmission and Substation Project- 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC, and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling  
Administrative Coordinator

**Subject:** DUKE POWER

Dear Sir or Madam

Our mountains , rivers, and lakes need total and complete protection here in SC. Please prohibit Duke Energy from altering the landscape in any way with their proposal to build transmission towers linking a gas plant in Asheville NC with a sub station here in SC. We cannot allow this travesty to occur.

Thank You

Thomas & Nancy Smolen  
Seneca SC 20672
